"Talk Up Your Trade—Telephone"

"When trade slackens up and orders begin to come in less frequently, I always get busy at my *telephone,*" said one of our subscribers recently.

"It's the best way I know to keep the business geared up to normal and to avoid those dull streaks that make such a difference in the year's profits.

"I find that by using the *telephone* to round up old customers, to go after new trade and to economize my own time and energy, *I can keep my business pretty well-balanced all the time.*"

If your business is not quite up to normal, why not get busy at your Telephone and talk up your trade?

In An Emergency—Telephone

THE TELEPHONE is the *first* to summon aid in accident or emergency. It is invaluable at the time when assistance is needed at once. Your first thought should be "Telephone."

In everyday life, emergencies may arise that demand quick and effective action. With a telephone in your home you are prepared to send for assistance by the *quickest* route. Doctor, druggist, police, fireman—all are within instant reach by telephone. In fact, nearly everyone whom you wish to reach quickly has a telephone.

The Telephone has almost countless uses in the home and not the least of these is its "emergency value."

Why not call our nearest Commercial Office today and learn more about the advantages of a telephone in your home?

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

A Campaign that Paid

"The results of our Long Distance selling campaign by Bell Telephone paid us wonderfully well. We will call up some more of our out-of-town customers when our new lot of goods arrives."

This illustrates the modern way of selling goods---by Long Distance telephoning. Why not apply it to your business?

Your Bell Telephone is a Long Distance Station.

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

Are You Getting Your Share?

New business can be obtained by Long Distance.

Use your Long Distance Telephone and get your share.

The customers you have and those you would like to have will be glad to hear your voice.

You do not have to leave your office to call any one of over 1800 cities and towns on the Pacific Coast.

Every Bell Telephone is a Long Distance Station.

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

The Modern Way—Telephone

Do you know how many of your out-of-town customers you can reach at small cost by using your Long Distance Bell Telephone?

You can save unnecessary trips, delays, lost time, energy and money. Try it.

EVERY BELL TELEPHONE IS A LONG DISTANCE STATION

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

First—by Telephone

A traveling salesman at the end of a several hour trip waited in the outer office of a merchant while the sales manager of a competing firm closed the sale by telephone.

Progressive sales managers have adopted the "Selling by Telephone" method. It widens the field of opportunity, minimizes selling expense, multiplies selling time and enables them to reach the men they want to reach.

Our "Long Distance" service brings the West to your desk. You can now talk by telephone to 1800 cities and towns between Vancouver, B. C., and the Mexican line.

Get there first—telephone.

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

Telephone Directories for Sale

OWING to numerous requests from subscribers for Telephone Directories of other cities to be used as address lists, etc., we have arranged to keep in San Francisco a supply of the latest published Directories issued by this Company, which will be furnished, on request, as listed below. Directories issued by other Bell Telephone Companies may be obtained upon application at nominal cost.
